RAISE YOUR HEADS

"Even so, when you see these things coming to pass, know that the Kingdom of God is at hand" Luke 21:31.

The panorama of world events that are shaking the planet today leads us to the obvious: the time has come, which the prophets spoke about thousands of years ago. The last prophecies are being fulfilled before our eyes, and the current state of the world looks like labor pains. The door of the Ark—Church can close any day.

Modern science today is able to mathematically confirm the fact: – The fulfillment of biblical prophecies excludes chance. On the website CristianNewsWire.com We read: "This is not mythology. This is the statistical impossibility of fulfilling biblical prophecies without Divine intervention."

Recently, AI (Artificial Intelligence) was asked to evaluate the authenticity of the Bible and the likelihood of fulfilling

prophecies. The result is amazing: AI makes an unequivocal conclusion: The Bible is an authentic and God-inspired book! (Three advanced AI systems were involved—Grok, ChatGPT, and Fokal.)

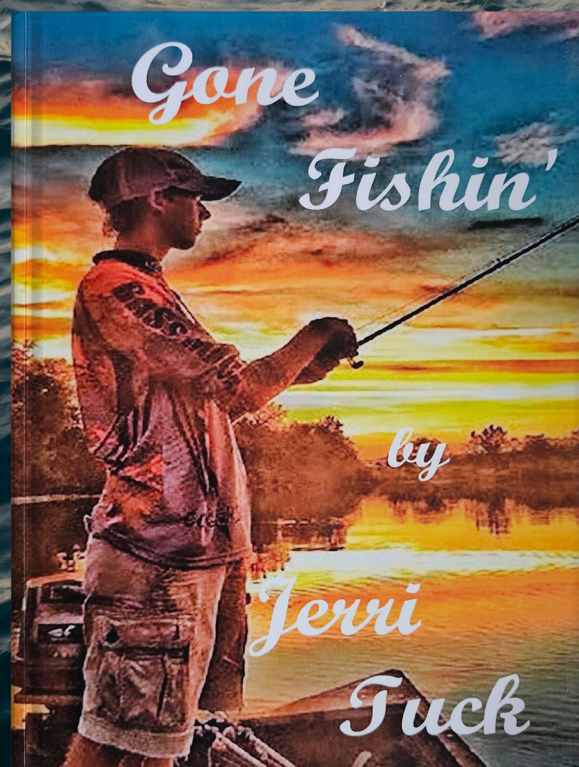

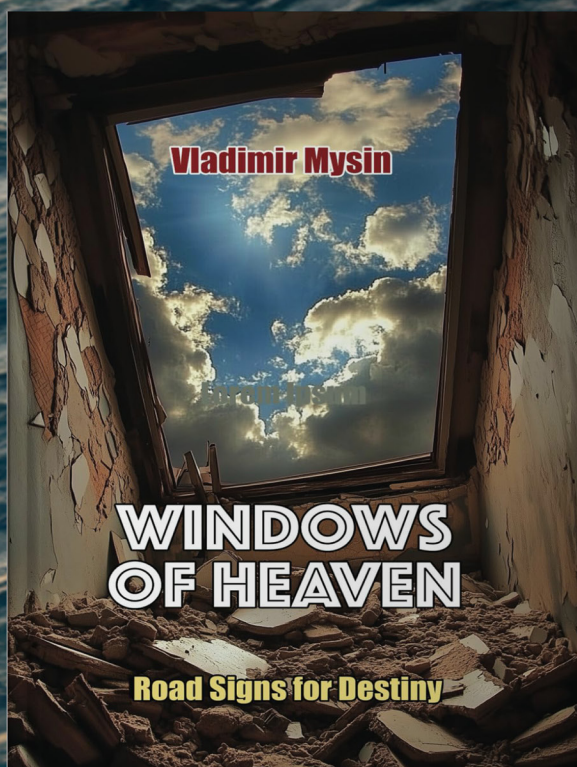

The probability that only 8 Messianic prophecies will be fulfilled on one person is estimated as 1 in 10 to the 17th degree. (1 + 17 zeros). The fulfillment of the 48 prophecies is 10 to the 157th degree. (1 + 157 zeros). According to the most conservative estimates, about 300 prophecies were fulfilled on Jesus during His earthly ministry.

Next, the AI made a prediction of the rapture of the Church based on an analysis of the coincidental signs and the accuracy of the fulfillment of prophecies. On this basis, the AI produced a sensational result: There is a 98% chance that the rapture of

the Church will occur within the next few months of 2025.

Of course, we can't know the day and hour, but Ap. Paul writes: *"But you, brothers, are not in darkness, so that the day may find you like a thief; for you are all sons of light and sons of day..." 1 Thess. 4:4-5.* This means that Christians, without knowing the day and hour, will recognize signs of rapture in the world around them.

The information from the AI is not a desire to intimidate anyone, but an invitation to a more thorough study of the person of Jesus and the Plan of Salvation. That is why we end this short article with the words of the Lord from the Sermon on the Mount of Olives: *"Watch therefore, for you do not know at what hour your Lord will come" Matthew 24:42.*

TWO NEW BOOKS HAVE BEEN PUBLISHED IN THE MISSION

Vladimir Mysin's new book is called "The Windows of Heaven." In this book you will find deep theological truths expressed in simple and accessible language. For example: How can the birth of Jesus be considered legitimate when in fact He was born of a virgin who was married? What is the difference between forgiveness and justification? Where is the

"Sweet Abyss"? Does a person have a Destiny? How are the "Death Nets" set up? Etc.

The book "Gone Fishin" by American missionary Jerri Tuck has been sent to print. This book is an amazing story of how God saved hopelessly fallen people from the lion's jaws of the devil, in prison cells, in drug dens; saved ordinary students and just

random people, around whom there were Christians fulfilling the Lord's commandment: Go and Preach. Jerri is the older sister of our Board of Directors member Douglas Krieger. Her book has been published several times in English, and our Mission has translated it into Russian. (This book is currently being translated into Spanish).

You can order these books in our office by e-mail: word2russia@gmail.com or by calling: 1-916-372-4610. We also offer other books by Vladimir Mysin. "Curlypox" and "Through a Dim Glass". P.S. All these books are also available in English.

SUMMER CAMPS

Despite some financial difficulties, we were able to provide on-site assistance for Summer Camps in Novosibirsk, Ukraine, Uzbekistan, and Pakistan. Thank God and many thanks to everyone who zealously supports the service of our Mission. Without your help, hundreds of kids on the other side of the earth would not have this joy. After all, even for one penitent soul, the Angels in heaven make a feast. And about half of the children were from non-believing families in Summer Camps. Pray for them and their parents.

REPORT FROM THE TASHKENT CHURCH

Greetings. The seasons of our Camps in the summer of 2025 are over. We thank the Lord that everything went very blissfully and without any incident. Many have been able to build new relationships with children and their parents who do not attend church, and some of them have never even heard of God or the Message of Salvation. 72 children aged 7 to 12 years (36 girls and 36 boys) participated in the K-12 Children's Race. There are 43 employees (including cooks) of all 115 people. 50% of the children were from non-Christian families. The program "Keys to the Heavenly Kingdom" was used. We talked to the guys about how God has prepared a home for us in Heaven (the "Heavenly Kingdom"). But to get there, you need to have the "keys" to the Kingdom. These keys are the truth that Jesus Christ is God, King, and Savior. They also said that the law of

love applies in the Heavenly Kingdom. We are very grateful for the help and support of this ministry. Your funds have helped us a lot with food. Below is a list of products that we bought with your help...

Responsible for the Camp: Marat Utyaganov (director and pastor), Igor Smirnov (coordinator), Dina (cook) Tashkent, Uzbekistan. July 2025.

Blessed reviews also come from Novosibirsk, Ukraine and Pakistan. Our humble help has caused great joy among the children in these difficult times. Christians are servants of joy, for in our souls is the Kingdom of God, which is Righteousness, Joy, and Peace in the Holy Spirit. We will continue to bring the light of the Joy of the Kingdom of Heaven to people, as long as there is still time.

By the grace of God, and thanks to the support of friends and co-workers, the Mission's service continues. The new school year has begun and our teachers continue to give free music lessons to children in 4 schools in Sacramento and West Sacramento. Last Semester, there were about 600 children with whom our teachers worked. Pray for them to leave a kind mark in the hearts of these children.
